

Quoting and binding commercial insurance can be an exercise in frustration. Who has time to fill out all the forms and wait for responses from all the carriers? There **is** a better way.

QuoteExpress is Combined Group's easy-to-use online solution created just for insurance agents.

QuoteExpress provides instant access to dozens of carriers and products and gives agents the ability to quote and bind in minutes.

Plus, QuoteExpress lets agents with direct appointments **continue to enjoy their direct commissions and contingency arrangements.**

Expand Your Choices:

- Gain unrivaled instant access to more carrier and product choices
- Compare multiple quotes through one simple online form
- Achieve the insurance mix your clients want
- Enjoy an automatic bridge from standard to E&S products

Expedite Your Results:

- Quote and bind in minutes
- Simplify the way you do business
- Get back with clients in the turnaround time they expect
- Gain online access 24 hours a day, seven days a week

Enjoy Direct Commissions:

- Use QuoteExpress to gain fast, turn-key access to your direct markets
- Quote and bind through QuoteExpress and keep your commission and contingency arrangements
- Access additional product options your direct markets may not offer

Excel at Production:

- Reduce your quote-to-bind time from hours or days to mere minutes
- Expand options and opportunities
- Provide superior service
- Increase your premium production and boost your bottom line

Experience Freedom:

- Let QuoteExpress do the time-consuming legwork
- Save time and improve efficiency
- Experience freedom to do what **you** want to do!

Visit www.combinedgroup.com and put QuoteExpress to work for you! If you have questions about QuoteExpress or other Small Commercial solutions, please call (800) 275-3193.
